# ABOUT ROBERT

Robert Lighthouse, a native of Sweden, first came to the United States at the age of 18, determined to learn more about the music he loves - Mississippi Delta Blues.

For eight years he traveled around the country absorbing American roots music from Chicago's famed Maxwell Street to New Orleans, the cradle of the blues. He settled in Washington, D.C. in 1988 and quickly established a vibrant fan base.

He has extensively toured Russia and Ukraine and is signed to Qualified Records as an artist 2022 .

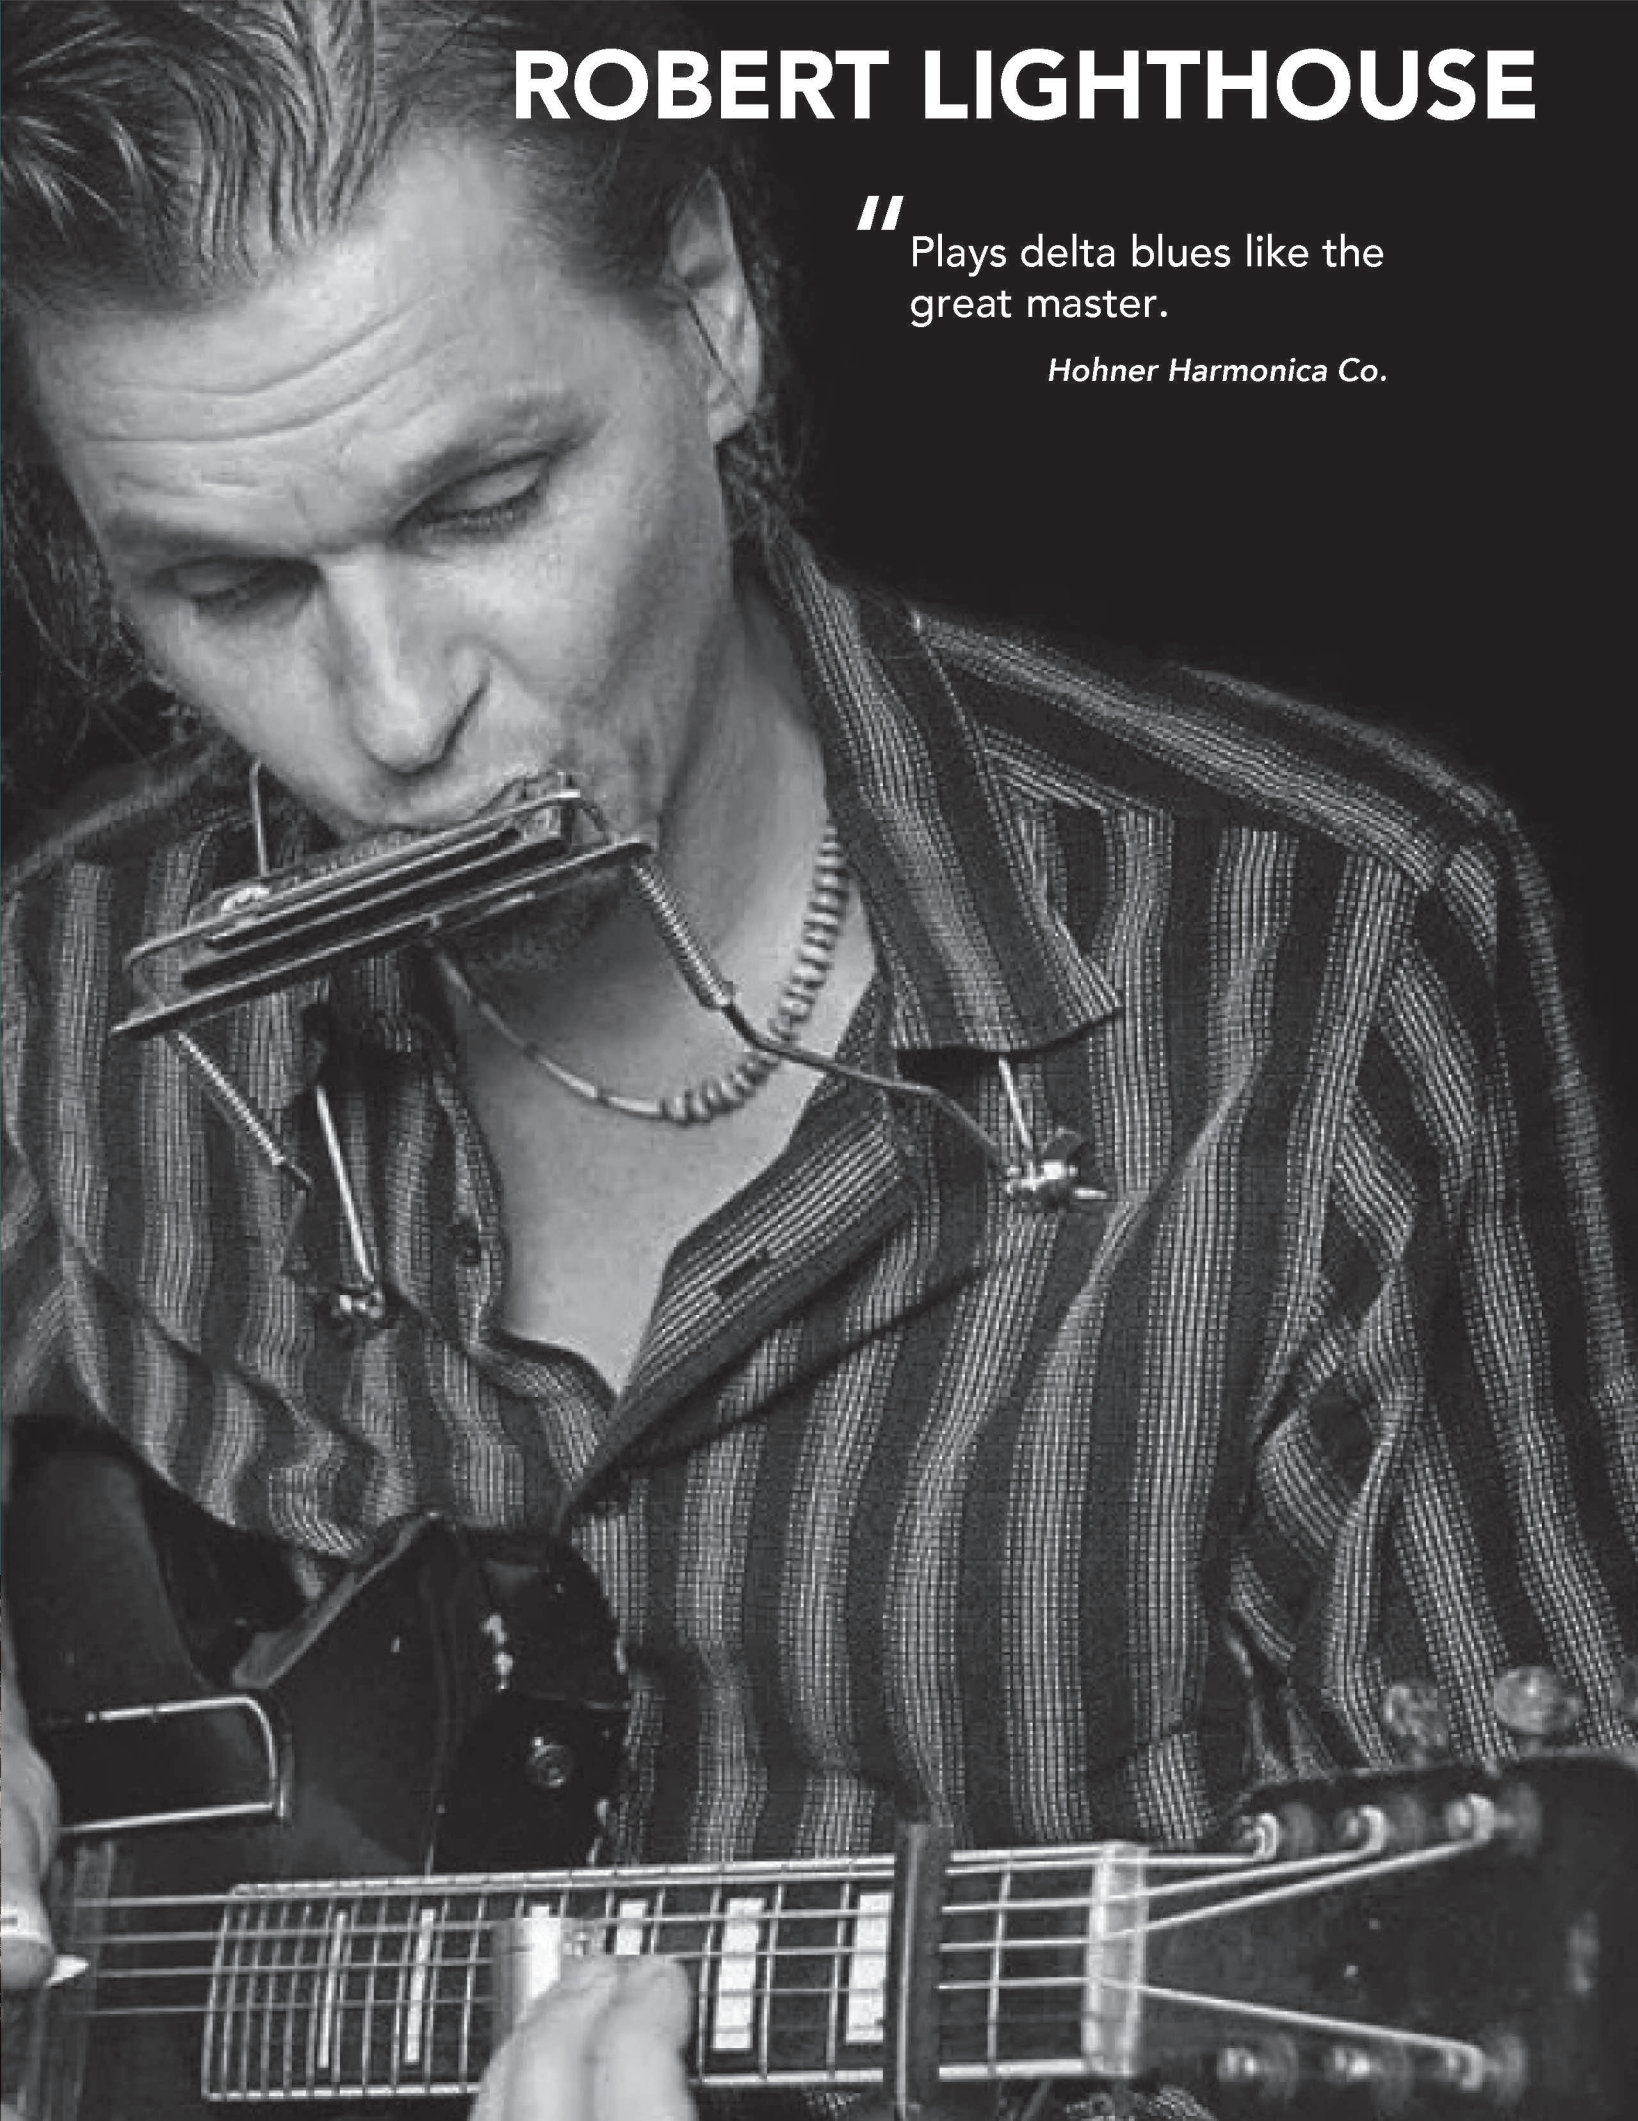

“ And I'll be damned, such blues “bread,” I haven't eaten in a long time!

*David Grandi, II Blues Magazine*
